McLane is in motion. The world is making fantastic social and technological advances, and our charge as students and as citizens of the world is to keep up with these great strides. As our world progresses, our educational advancement must be geared to keep up with it; our lives must be compatible with change and movement; our versatility as thinking people must be nurtured and maintained. The spirit of progress is gaining momentum and our curriculum is becoming more modern and adaptable. We have incorporated these ideas in the theme of the *Greacan 1970*.

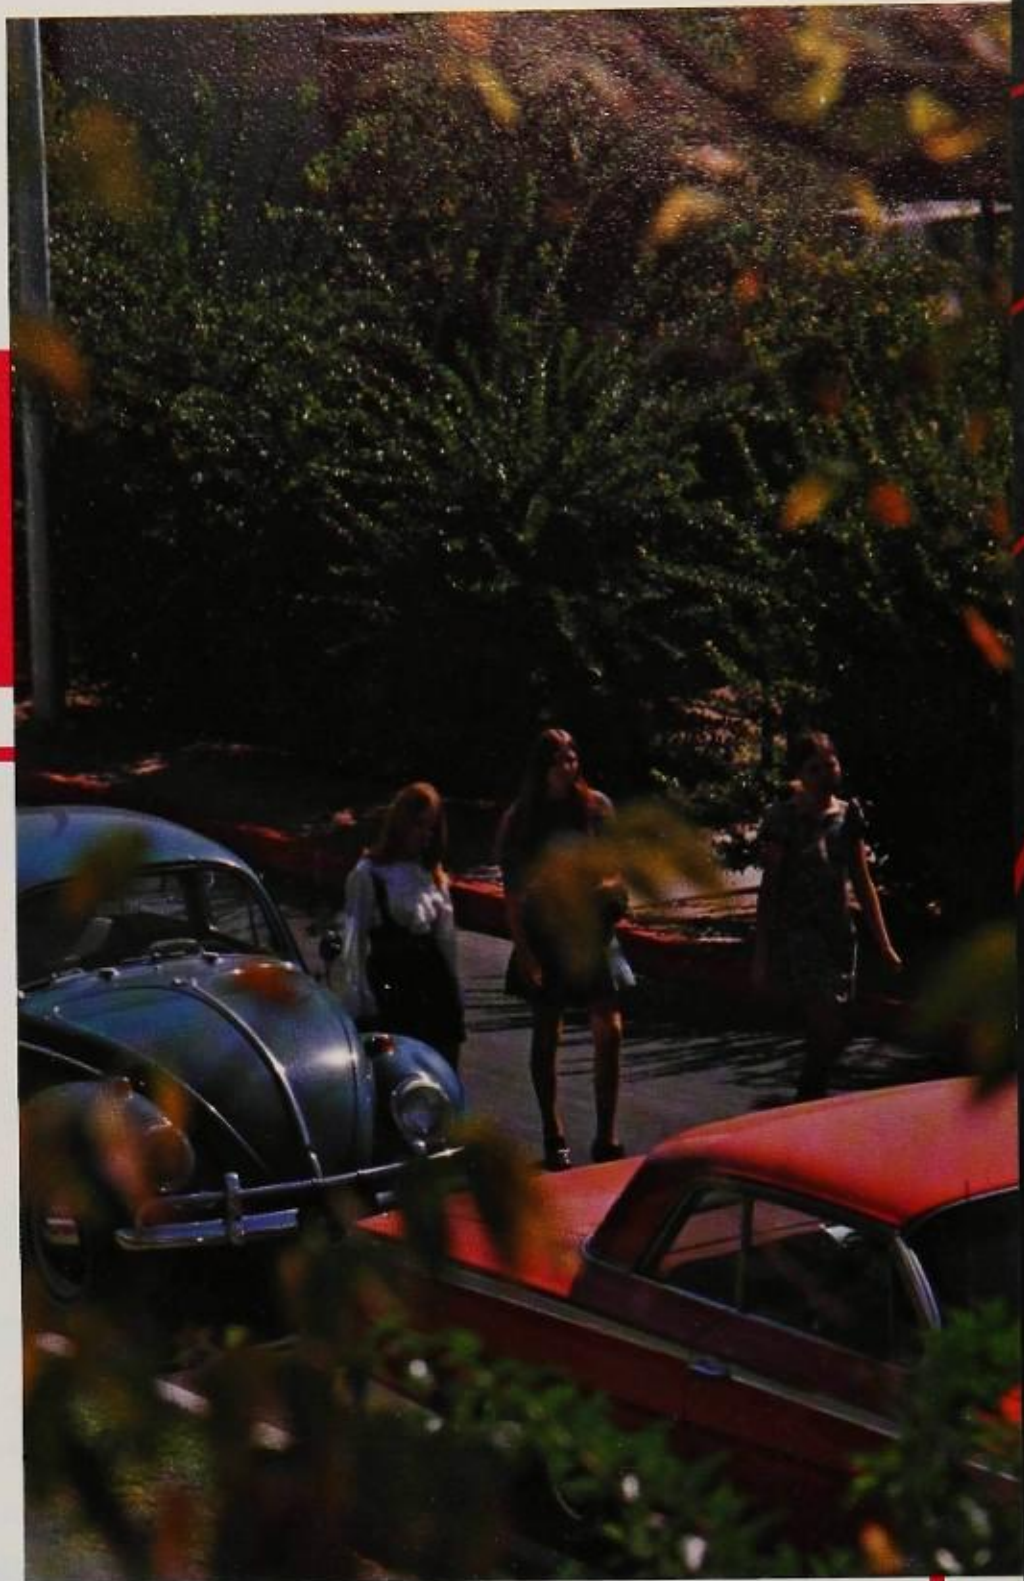

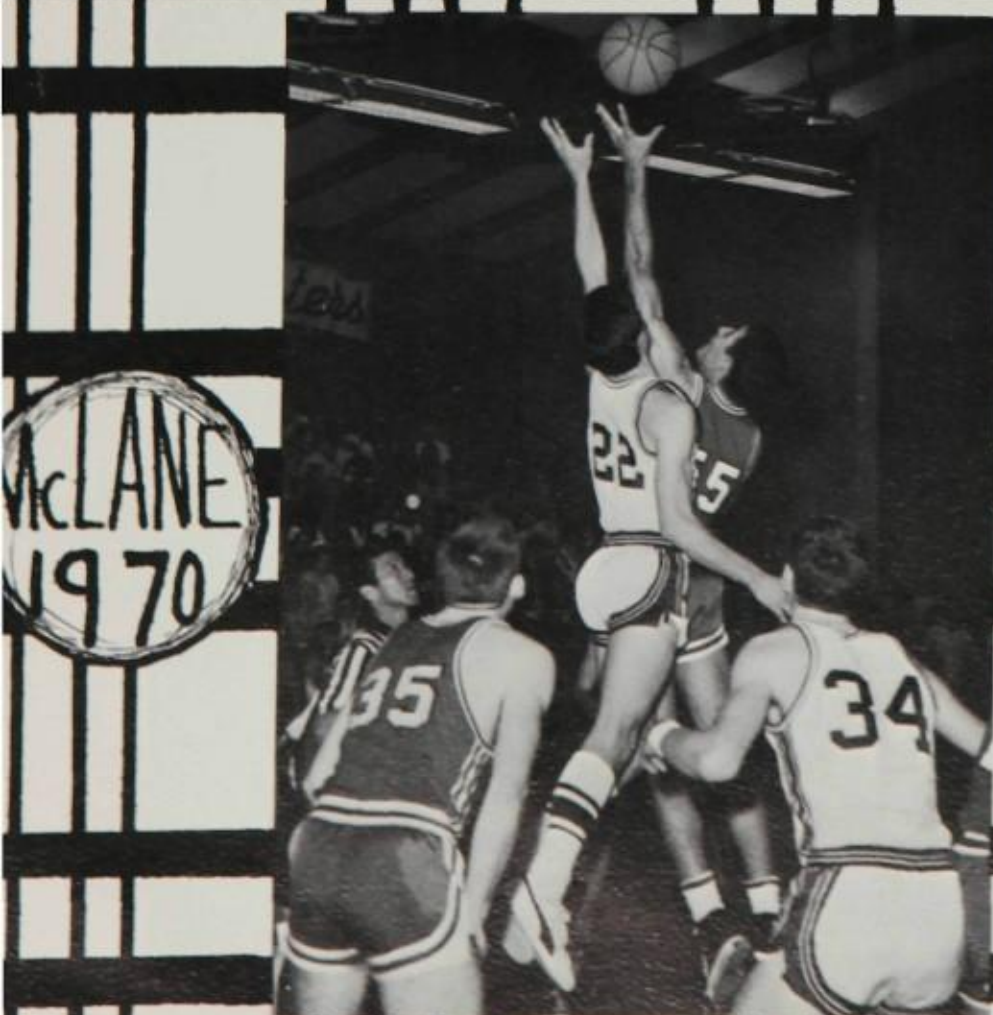

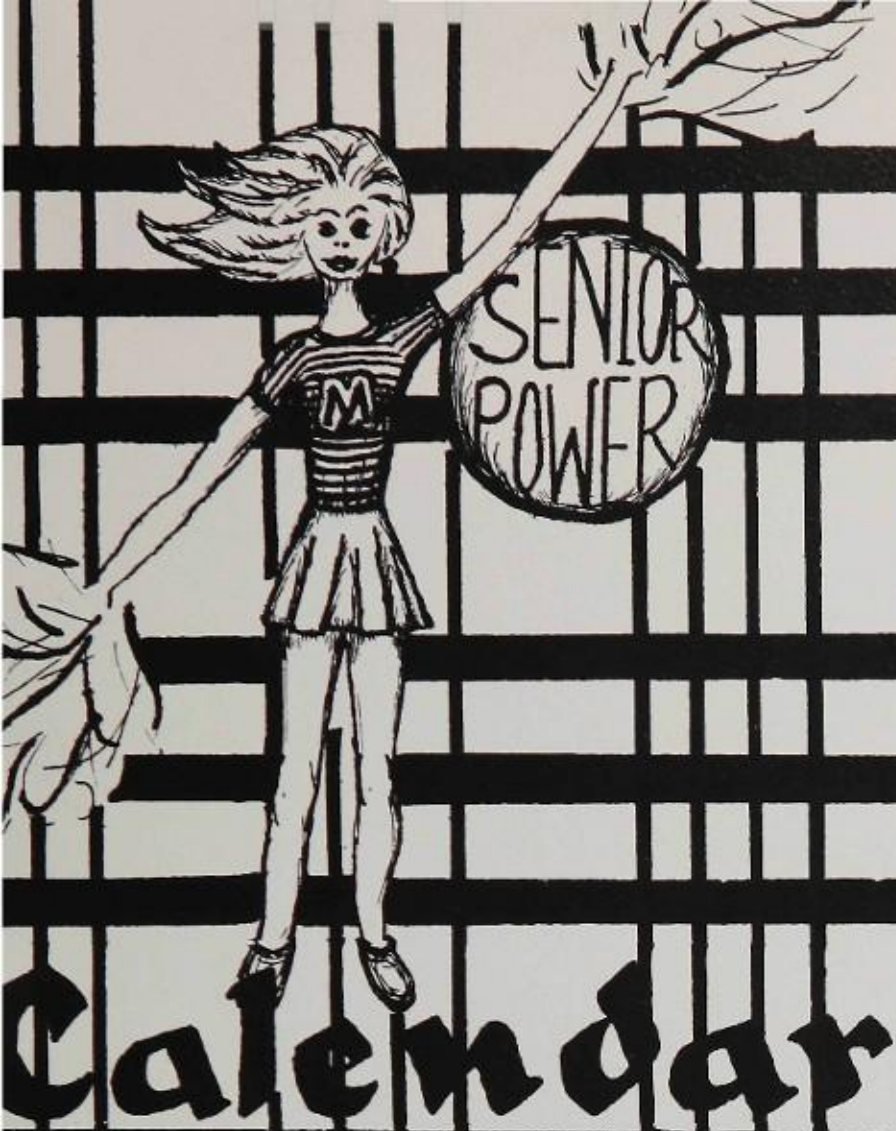

In keeping with this year's theme of "motion" the Greacan staff does hereby deem it right and proper that the 1970 *Greacan* be dedicated to the early man who initiated man-made motion with his invention of the wheel. That primitive being and his invention are symbolic of the never ending search for new ideas to make Man's life easier. And so, we would like to acknowledge that man and that first step which started progress "rolling."

On the night of September 26, 1969 the Lemoore team was reduced from snarling Tigers to mewing pussycats, as the invincible Highlanders defeated them 21 to 8 at Ratcliffe Stadium. After the game, the triumphant Scots carried their victory back to the Highlander Hilton for a fast-paced celebration dance.

Mr. Harold Sanderson, our illustrious principal, has done more for McLane's progression in the two years he has been here, than any other single person. Aware of the need for scholastic advancement, he has taken the initiative for updating the curriculum and improving the student-administration relations.

Mr. Ulmon Bray, McLane's vice-principal, has been a prime mover in the advancement of McLane since the school first opened. He has been concerned with the formation and action of various student committees to deal with such critical problems as drug abuse and inter-racial relations, and he has long been a vital link in the student-administration organization.

SITTING: Mrs. Kalkowski, Mrs. Edmondson. STANDING: Mrs. Haslett, Mrs. Kazato, Mrs. Caudle, Mrs. Ames, Mrs. Briggs, Mrs. Westphal, Mrs. Hyde.

Working behind the scenes to keep the complicated works running smoothly in the McLane Administration Building is the efficient and pleasant Office Personnel. Greeting students at the attendance window are Mrs. Helen Ames and Mrs. Julie Caudle, to aid in counselling is Mrs. Betty Haslett, handling requisitions is Mrs. Millie Briggs, Mrs. Charlotte Edmonson is

the Registrar, Mrs. Pat Westphal is the Financial Secretary, the IBM Clerk is Mrs. May Kazato, Mrs. Elaine Kalkowski is the part-time Clerk and Mrs. Inez Hyde is the Secretary. The 1970 Greacan would like to congratulate the Office Staff for the magnificent and tremendously difficult job they have done.

McLane's Foreign

To my friends, teachers, and all others at McLane who have kindly made themselves my friends throughout the school year, I would like to express my genuine appreciation. It is my experience with people which is making my exchange year what I consider the most profitable experience of my life.

I happen to be in America at a time when the nation is on the threshold of maturity, with the prospect of desegregation of schools in the near future. This I consider a unique opportunity and a chance to take a slight peep into the minds of Americans, as the American dream, hopefully, becomes a reality.

When I return home I will continue to think of you as my friends, not merely as "American friends", but individuals in one family of this world we all share.

Exchange Students

Michele Golia

Both "American Field Service" and "International Club" make it possible for a foreign student to come here and help him during his year. This is always an experience full of meaning. The purpose is to establish friendship & understanding among people of different nationalities and cultures through exchange programs. It is known that people in different countries have different ideas, customs, politics and too many times people think that their way of living is the best and the only one right. The exchange programs are supposed to avoid this mistake & develop more modern and open minds among the exchange students, the friends they meet in foreign countries and the people who surround them when they go back to their native cities.

But this year has been just great for me especially because, after a first period of confusion, I started meeting real friends and enjoying my stay with them - I realized I was starting to adapt myself to your system of life in a very natural way and so I have enjoyed the friendship of many people and felt part of this school which I have to thank for giving me the chance to come and then to feel at home.

for Seniors only . . .

This year belongs to the seniors of the class of 1970. We have struggled three long years, suffering untold indignities as the "Scum of the Earth" when we were sophomores, and the unbelievable frustration of junior year when school has lost its initial intrigue and not yet gained its sentimental value. But now, as seniors, we have repaid the old injustices and are looking forward to graduation. When we leave McLane with our diplomas, it will be the last time the Class of '70 will be together. But wherever we go, whatever life brings us, we will be able to look back and know that we made things happen at McLane. And so we salute the Class of 1970 for helping to keep our beloved Alma Mater, C.L. McLane High School, continuously in motion.

Senior Traditions

A select group of students, easily identifiable, have that unmistakable, confident air of people who know where they are going. They're Seniors, of course, privileged to leave games ahead of the crowd, heading for their place at the Senior Table, for a chat and a bite to eat, or for the cool solitude of the Senior Patio, the perfect place to relax. Part of the special magic of Senior year is knowing that you have a place to sit, eat, talk, and relax, and that, after two long years, the Senior Traditions insure this magic.

Tartan

The longstanding rivalry between the staffs of the Greacan and the Tartan is tradition. In the spirit of progress, the Greacan staff would like to make the first move towards a lasting peace by commending the fine co-editors of the 1969-1970 Tartan, Jenny Natali and Tom Granata, the Journalism teacher, Miss Tice, and the Tartan staff for their excellent job. The qualities that we most admire in them are their staunchness, their perseverance – even in the face of toilsome assignments, troublesome printers and terrifying deadlines – and their dedication to their paper. The Greacan salutes the dauntless Tartan Turtle; may they ever plod in success and happiness!

Now '70

The dedicated *Now '70* staff (right), headed by Megan Anderson and Dinia Caldwell, has a difficult job constructing McLane's original works magazine. Students submit their artwork, photographs, poetry and prose to the literary and graphics selection committees. Sometimes, the material and the staff may be found in various stages of disorganization, as shown in the picture. However, *Now '70* is always ready for distribution in May.

The Open Forum

The Open Forum is a student produced, free newspaper which states its purpose in each edition as "not to discover genius but to stimulate youth to think. . ." Sponsored by Mr. Richard Bartels, the newspaper contains poetry and essays pertinent to contemporary issues, both social and political. In the picture (left), Donna Paladino and Mary Sousa prepare an edition of *The Open Forum*, which is headed by Valerie Johnson (Editor).

B.S.U.

(Supporters of the
Black Student Union)

Throughout our history, whenever man was in need of something— protection, moral support, or just companionship— he joined together with other men who were seeking the same thing to further their common end. Today, there is a major identity search among the Black people of America, and it is manifested in the Black Student Union, sponsored by Mr. Charles Fox, an association of Black students and their supporters who are involved in this search— a search for the identity of a *people*, the macrocosm of the universal question every man must face and answer for himself: "Who am I?"

Highland

The Roosevelt auditorium once again played host to hoards of talented highlanders for the annual Highland Fling. This gala presentation featured traditional groups such as the Madrigals and the Pipers and Dancers and also introduced some novelty acts. All in all the 1969-1970 Highland Fling was a night to remember.

On October 31 and November 1, 1969, at Roosevelt auditorium, the curtain went up on the class of 70's senior play, a comedy called Light Up the Sky. Under the direction of Mr. Bob Ogle and student director, Patsy Mac Donald, this spoof on the theatre and the variety of people involved in it was brought to life, and the talent and dedication of all the people involved in the production, both on stage and behind the scenes, made for a truly enjoyable evening's entertainment.

Lyceum

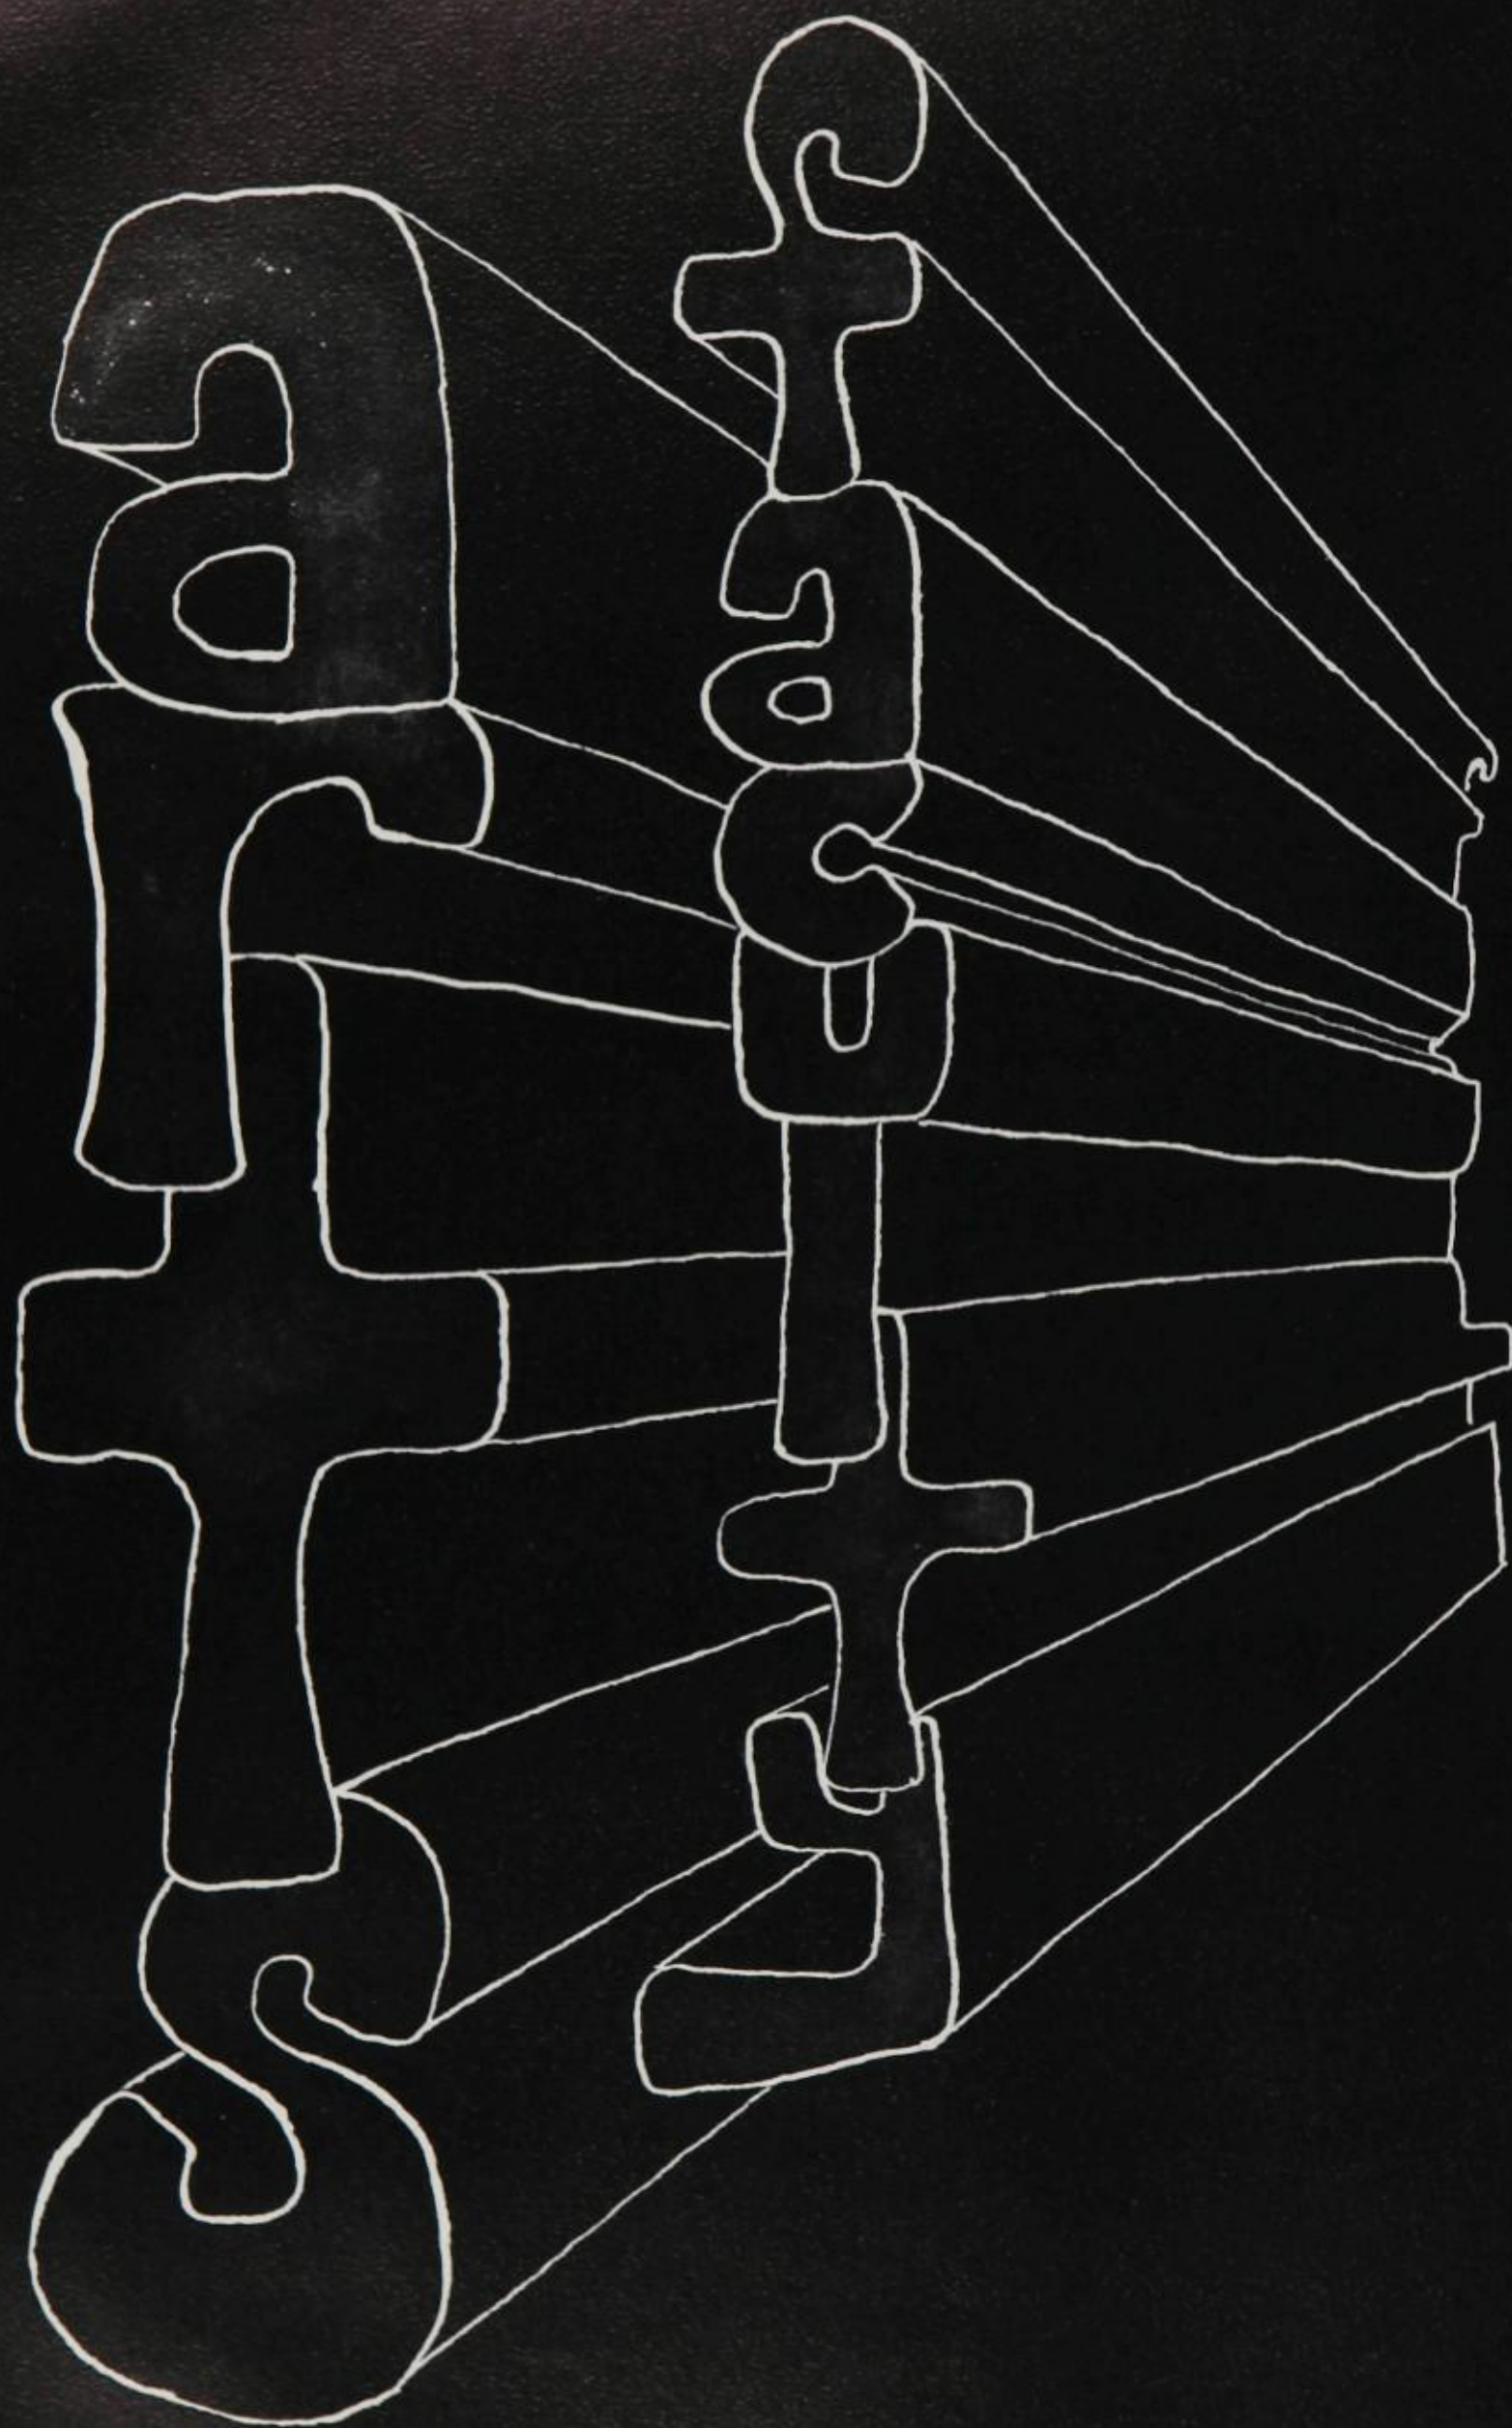

In the tradition of the Greek philosophers who met informally to discuss metaphysics and the nature of absolute justice and good, the Lyceum, sponsored by Mr. William T. Donohue, is a discussion group of students who are interested in penetrating the facade of issues, political and philosophical, delving into the nature of the issue—its causes and consequences, and attempting to arrive at conclusions about or solutions to the ever-present problems that plague mankind.

This year's McLane Varsity basketball team has shown a great amount of potential. Coach Reynolds is going to feel the loss of seniors Joel Warkentin, Don Duncan, Danny Elvington, Neil Codell, Ken Wall, Jim Salvatore, Stanley Johnson, and Jerry Kolari next year.

The team showed outstanding technique and team work during the Holiday Invitational Tournament which resulted with the overall championship and a three foot trophy which McLane is very proud of. Don Duncan was awarded Most Valuable Player in the tournament, while credit also goes to Danny Elvington, for his defense, Neil Codell for his guarding and shooting, Joel Warkentin for his all-around performance in defense, rebounding, shooting, and to the entire team for their contributions in bringing McLane to the victories it has had this year.

Coach Bob Stout

This year's Cross Country team turned out to be McLane's most outstanding. They were the first McLane team to go undefeated in dual meets against all teams in the league, to win the F.S.C. Invitational Cross Country meet, to retire a perpetual trophy, to win the league Cross Country championship, to win the Northern Section meet for Valley qualifications, and to place 3rd in the Valley Championship meet. Craig Hall took City Champion; Greg Hall, League Champion; and Steve Hall, Northern Division Champion. Coach Bob Stout's proud remarks were: "It was a team with great competitive desire and outstanding talent."

This year's Varsity Football team proved to be an outstanding one. Defense men Don Polatian, Bill Batesole, and Davis Worthington were selected for first team All Conference. Bill Batesole was also team captain, and picked All Metro; Don Polatian, All Metro, Harry Coffee Blanket Award, and defense player of the year; Davis Worthington was awarded Most Perservering. Junior Jim Davis was chosen as Most Outstanding; Rusty Reed, offensive back of the year; Henry Dominguez, K.Y.N.O. Back of the year; and Frank Fowler, lineman of the year. McLane finished this season among the top in the league. Our Scots are a team to be proud of.

This year's track team is a highly favored one. Head coach Jerry Dorn has many returning Varsity athletes to carry on the high standards of the McLane Track Team. There are several candidates for Valley competition . . . Senior Steve Hall has had one of the best times in the mile run (4.33.3), along with Terry Stuart (4.34.5), and Ken Adams (4.36.5). Bill Herbert has shown promise in the 880 yd. run (2.03.3), Chuck Williams in the 440 yd. run (50.2), Bob Breckman in the high jump (6'3"). In the weight men's section, Junior Steve Belmont has shown excellent progress with the shot put (50 ft.), while Senior Joel Warkentin finished first in the city last year with a throw of 162 ft. in the discus. Robert Warkentin and Steve Schaffer have shown great progress in their throwing ability.

The McLane Scots are in motion. Part of the "Now" generation, we are moving to establish our roles, to learn and grow, and to make our mark on the world. Now is the time for movement toward our own special goals, for reaching out for the world, and the McLane Scots are moving here at McLane, as in the rest of our lives.
